

Online Water Bill Payment

The Town of Firestone will be offering online water bill payment option as of June 4, 2008. This feature will allow water customers to pay their bill by visiting the town's website at www.ci.firestone.co.us. Payments can be made with a Visa or Master Card, personal checking or savings account and business checking or savings account.

Each customer that chooses to use this feature will need to set up their account online with a Web ID # that will be printed on their water bill starting June 4th, their Account # currently printed on their bill, a User Name and Password of their choice. Once the account sign up is completed the website will store this information so customers will be able access their account using their chosen user name and password. After the first time a payment is made online customers will have the option to save their payment information for easy access the next time a payment is made online. Customer will also be able to access their account information through this website. Please watch the town's website at www.ci.firestone.co.us for this new payment option. If you have questions on this process please contact Town Hall at 303-833-3291.

*Just a reminder the following is a list of other features the town currently has in place.

Email Billing- This feature allows customers to receive their monthly bill electronically vs. in the mail.
