If water service is off. The Town of Firestone will require account balances be paid in full, the customer requesting water to be reinstated to pay a reconnection fee and set an appointment one business day in advance to have water service reinstated. Cut off time is 4:30 pm daily for requesting reinstatement for the next business day. All appointments will require someone to be present at the property when the water is reinstated. Please contact Town Hall at 303-833-3291 to inquire about the status of the property entered above.
