***The Utility Billing Clerk asks that a **\$100.00** escrow be held for the address above during the **WINTER** months and a **\$200.00** escrow to be held for the address above during the **SUMMER** months.

If \$100.00 or \$200.00 is not sufficient escrow the Utility Billing Clerk will contact you by fax with a specific amount listed below.

The Utility Billing Clerk will not contact you back unless a higher escrow amount is needed.

Important Pleas Read

If this property is vacant, been foreclosed on or is in the process of being foreclosed on please call town hall and get a verbal status of the account.

\$ _____

\$100.00 escrow for winter months

\$200.00 escrow for summer months

The Town of Firestone requires that all new residents fill out a residential water application at Town Hall located at 151 Grant Ave. Firestone, CO 80520. If water application is not complete and submitted with water deposit a water account will not be set up for the new owner. Please understand water will not be transferred out of Title Companies or sellers name until the application and deposit is received by Town Hall.
